

basis of bearings Union Pacific Railroad survey

SCALE 1" = 1000'

M.D.B. & M.

STATE OF NEVADA
County of Lincoln 55

I Reginald G. Lee being first duly sworn, depose and say that this map consisting of 1 sheet has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction between the 10th day of November 1965 and the 20th day of November 1965; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lincoln county by Pioche Public Utilities for Municipal use, that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of which will cross or connect with the proposed works, and the boundary showing by 40-acre subdivisions the area proposed for municipal use are fully and correctly designated thereon.

Reginald G. Lee
State Water Right Surveyor

Subscribed and sworn to before me
this 30th day of June 1966

Reginald G. Lee
