

State of Nevada  
County of Washoe

I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 1 to 0, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 25 day of June and the 26 day of June 1966, that it truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in White Pine County by Delbert Eldridge, for irrigation purposes. That all other works crossed or connected with said works, and the boundary, area, and kind of culture of land irrigated, are correctly shown & designated thereon.
