I, Mark Chilton, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 12th day of July, 1966; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lander County, by Lander County Sewer & Water District No 1 for municipal purposes. That the proposed point of diversion, the approximate location & size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
