I, J.R. Caldwell, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 10th and 24th day of December, 1966, that it truly and correctly represents the proposed location and extent of the works used to divert water from ~~an~~ underground sources in Humboldt County by Nevada Garvey Ranches Inc. for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
