I, J. V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 1 to 0 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 20 day of July and the — day of July 1967, that it truly and correctly represents the proposed location and extent of works to divert water from Under-ground Source, in WHITE PINE County, by L. CLAY SPENCER for domestic & irrigation purposes. That all other works crossed or connected with said works, and the boundary, area, and kind of culture of land irrigated, are correctly shown and designated thereon.
