

STATE of NEVADA } SS.
 COUNTY of ORMSBY }

I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 14th day of April, 1967; that it truly and correctly represents the original point of diversion, place and manner of use, and extent of the works used to divert water from underground sources in Lyon County, by Penrose General Improvement District for quasi-municipal purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas of use, are fully and correctly designated thereon.

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 26th day of April, 1967.
