I, J.V. Caselli, being first duly sworn depose and say that this map consisting of 1 sheet, numbered from 1 to 0 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 10 day of December and the 11 day of December 1967, that it truly and correctly represents the proposed location and extent of works to divert water from Underground Source & Third Creek Channel in WHITE PINE COUNTY by ALICE BETH ROBINSON, for irrigation purposes. That all other works crossed or connected with said works and the boundary, area, and kind of culture of land irrigated, are correctly shown and designated thereon.
