

STATE OF NEVADA SS
 COUNTY OF ORMSBY SS

I, JAMES D. WALLACE, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been drawn to the designated scale from field notes of a survey made by me on June 15, 1968, and from other data as noted; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County, Nevada, by Wayne C. Matley and Alouise A. Matley for irrigation and domestic purposes. That the proposed point of diversion and the boundary of all lands, showing by forty (40) acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
