

STATE OF NEVADA } ss.  
 COUNTY OF ORMSBY }

I, Walter G. Reid, being first duly sworn, depose and say this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of July, 1968; that it truly and correctly represents the proposed location and extent of the works used divert water from Autumn Hills Spring, in Douglas County, by William A. & Floris E. Harris, and James E. & Dorothy M. Batchelder for Quasi-Municipal and Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas to be served, are fully and correctly designated thereon.
