

State of Nevada } S.S.
County of Humboldt }

I, J.R. Caldwell, being first duly sworn, depose and say this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 22nd day of July, 1968, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Humboldt County, by Nevada Alder Creek for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully designated thereon.

J.R. Caldwell
State Water Right Surveyor

Subscribed and sworn to before me
this 23rd day of July 1968

William Macdonald
Notary Public in and for Humboldt
County, Nevada

Scale 1" = 500'
