County of Washoe S S

I, Peter G. Guisti being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction in the month of July 1968 that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in Washoe County by Silver Knolls for domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or conduit, the place of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated there on
