STATE OF NEVADA SS:
COUNTY OF LYON

I, Ernest E. Muller, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 2nd day of February, 1969; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND source in Lyon County by TIBOR W. FEJER for MILLING and DOMESTIC purposes. That the proposed point of diversion, the approximate point of return, the location of the mill and the boundary of the land by 40-acre subdivision proposed for use are fully and correctly designated hereon.
