COUNTY OF WASHOE }

I, Millard G. Reed, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 1st day of July 1968, and the 8th day of August 1968, that it truly and correctly represents the proposed location and extent of the works used to divert water from Kingston Creek (Big Smoky Creek) in Lander County by the Nevada Fish and Game Commission for wildlife propagation and recreation purposes that the proposed point of diversion, the approximate location and size of the diverting channel or other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.
