

STATE OF NEVADA SS  
COUNTY OF ORMSBY

I, JAMES D. WALLACE, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been drawn to the designated scale from field notes of a survey made by me on April 5, 1969., and from other data as noted; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County, Nevada, by Robert L. Pruett for irrigation purposes. That the proposed points of diversion and the boundary of all lands, showing by forty (40) acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
