 COUNTY of ORMSBY } ss.

I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th day of May, 1969, that it truly and correctly represents the proposed location and extent of the works used to divert water from an Underground Source in Lyon County, by John A. & Marguerite S. McKenzie for Quasi-Municipal and Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

Walter G. Reid
 State Water Right Surveyor
