I, Dan J. Cook, being first duly sworn, depose and say that this map, consisting of one sheet, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 3rd day of December, and the 5th day of December, 1968; that it truly and correctly represents the proposed location and extent of the works used to divert water from Lake Tahoe, in Washoe County, by Washoe County Sewer Improvement District No. 1 for Municipal and Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting facilities, the location and names of all other works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
