COUNTY OF WASHOE

I, ROBERT W. MILLARD, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 27th day and the 28th day of MARCH, 1969; that it truly and correctly represents the existing and proposed locations and extents of the works used to divert water from underground sources in CHURCHILL COUNTY, by JACK EMORY DAILEY, for irrigation and domestic purposes. That the proposed and existing points of diversion, the locations and names of all other works which will cross or connect with the proposed and existing works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated are fully and correctly designated thereon.

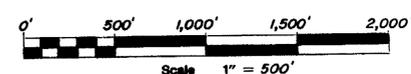

*Robert W. Millard*  
State Water Right Surveyor

Subscribed and sworn to before me this 22nd day of APRIL, 1969.

*Dorothy Matteoni*
