

STATE OF NEVADA } ss.
 COUNTY OF ORMSBY }
 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 14th day of August, 1969; that it truly and correctly represents the original point of diversion and place of use, under permit No. 23342 and the proposed points of diversion and place of use, and extent of the works used to divert water from an underground source in Humboldt County, by Lawrence Locken for irrigation and domestic purposes. That the proposed points of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated, are fully and correctly designated thereon.

Walter G. Reid
