

STATE OF NEVADA SS:
COUNTY OF LYON

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 7th day of January, 1967, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lyon County by JOSEPH ACCIARI for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Ernest E. Muller, Sr.
State Water Right Surveyor No. 273

Subscribed and sworn to before me this ^{23rd} 22nd day of December, 1969.
