I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 17th day of February, 1970; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Storey County, by Lockwood Motel & Trailer Park for quasi-municipal (trailer court) & domestic. That the proposed point of diversion, the approximate location of the places of use, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
