State of Nevada } s.s.  
County of Elko }

I, Alan S. Boyack, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 15th day of July, 1970; that it truly and correctly represents the proposed location and extent of the works used to divert water from MINE TUNNEL and BOG SPRINGS, in ELKO COUNTY, by HOWARD RANCHES, INCORPORATED, a Nevada Corporation as to a 4/5 interest and VERLAND STOWELL a 1/5 interest, for stockwatering purposes. That the proposed point of diversion, the approximate location and size diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
