

STATE of NEVADA } ss.
 CARSON CITY }

I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of November, 1970 that it truly and correctly represents proposed location and extent of the works used to divert water from Holbrook Springs in Douglas County, by Frank N. Westsmith for milling and domestic purposes. That the proposed point of diversion, the location of the mill, the approximate size and capacity of the diverting channel, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 20th day of November, 1970
