I, Wallace T. Boundy, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 20th day and the 23rd day of Aug, 1970. That it truly and correctly represents the proposed location and extent of the work used to divert water from underground sources in Churchill County, by George T. Olds for irrigation purposes. That the proposed point of diversion the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Wallace T. Boundy
State Water Right Surveyor No. 565

Subscribed and sworn to before me this 4th day of May, 1971.

James Boundy
