BASIS OF BEARINGS
NORTH LINE SEC. 13

State of Nevada } ss
County of Clark }

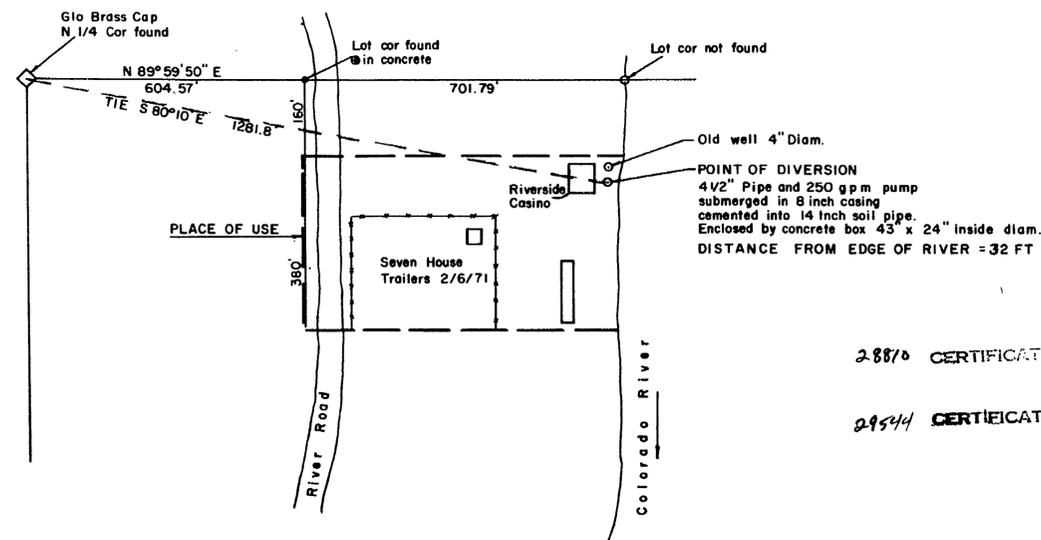

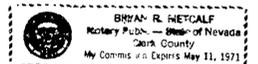

I, Richard V. Wyman, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision), between the 6th day of February and the 14th day of February, 1971; that it truly represents the proposed location and extent of the works used to divert water from underground from an existing well as shown, in Clark County, by Donald J. Laughlin, for domestic purposes. The proposed points of diversion, the diverting pipeline and pump, the location and size of protecting structure are shown, and the location of buildings and trailers in which domestic use of water is proposed, are fully and correctly designated thereon.

Richard V. Wyman
