I, Harry R. Ericson, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction, between the 2nd day of August, 1971 and the 6th day of August, 1971; that it truly and correctly represents the existing location and extent of the works used to divert water from an underground source in Douglas County, Nev. by TRI TOPAZ CORPORATION for commercial purposes. That the proposed point of diversion, the approximate location & size of the diverting pipeline, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated there on.
