Affidavit

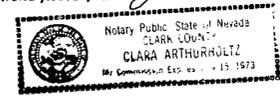

State of Nevada }
County of Clark } S.S.

I, Tefik Turegun, being first duly sworn, depose and say that this map, consisting of 1 sheet, numbered Sheet No. 1 of 1 Sheets, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, between the 30th day of January and the 1st day of February, 1971, that it truly and correctly represents the proposed location and extent of the works used to divert underground water from the Amargosa Valley Basin Nye County, Nevada by Tenneco Oil Company of P.O. Box B, Death Valley Junction, California, that the water to be diverted shall be used to provide water in the processing of borax ores, that the point of diversion, the location and size of the diverting conduit, the location and extent of lands owned or controlled by the applicant upon which water is being applied for, and the location and names of all other works which are crossed by or connected with the said works, are fully and correctly designated thereon.
