STATE OF NEVADA ss
COUNTY OF WASHOE

I, RICHARD W. ARDEN, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between the 21st day of Feb., 1972, and the 14th day of April 1972; that it truly and correctly represents the proposed location and extent of the works used to divert water from the Cottonwood Creek and underground springs in WASHOE COUNTY by the ESTATE OF SALVADOR URRUTIA for Quasi-municipal subdivision and domestic purposes. That the proposed point of diversion, the approximate location and size of diverting channel, all reservoirs or basins, the locations and names of all other works will cross or connect with the proposed works, and the boundary of all lands showing by 40 Acre subdivisions the acres to be served, are fully and correctly designated thereon.
