

STATE OF NEVADA } ss.
 CARSON CITY }

I, Walter G. Reid, being first duly sworn, depose and say that map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 3rd day of February, 1972; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources, in Lyon County, by Stagecoach Land Company for Quasi-Municipal and Domestic purposes.

That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the area and place of use, are fully and correctly designated thereon.

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 16th day of February 1972.
