I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me and completed on the 5th. day of April, 1969, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lyon County by NICK and SHIRLEY NADEL for QUASI-MUNICIPAL (MOBILE HOME ESTATES) purposes. That the proposed points of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed for use, are fully and correctly designated thereon.
