Graphic Scale

Washoe County, Nevada

State of Nevada

ss

County of Washoe

I, Eugene B. Longfield, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction) on the 19th day of March, 1972; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County, by Robert L. and Dorothy R. Pape for Quasi-Municipal and Domestic purposes. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicants upon which water applied for is used, together with the area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said work are fully and correctly designated thereto.
