I, JAMES N. NELSON, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been drawn to the designated scale from field notes of a survey made by me on July 9, 1972, and from other data as noted; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in LYON County, Nevada, by Paul A. Billeci for irrigation and domestic purposes. The proposed point of diversion and the boundary of all lands, showing by forty (40) acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
