I, WILLIAM A. REINKEN, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of July, 1972; that it truly and correctly represents proposed location and the extent of the works to be used to divert water from an under-ground source in Carson City, Nevada, by LYNN ARMSTRONG, for Irrigation & Domestic purposes. That the proposed point of diversion and the boundary of all lands to be irrigated are correctly designated thereon.
