I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scales from field notes of a survey made by me on the 24th day of September, 1972; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Carson City by K. D. PRIESTLEY and E. J. FIXMER for COMMERCIAL (BUSINESS and APARTMENT) purposes. That the proposed point of diversion, the location and names of all other works which cross or connect with the proposed works, and the boundary of the land showing the area for use, are fully and correctly designated hereon.
