I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 29th day of August, 1959; that it truly and correctly represents the location and extent of the proposed works used to divert water from North Adit in Pershing County, by Limbo Mines for mining, milling, and domestic purposes. That the proposed point diversion and return, the approximate size of the mine and mill, the approximate size and capacity of the diverting channel, and the location and names of all other works or streams which are crossed or connected with said works, are fully and correctly designated hereon.

Walter G. Reid
State Water Right Surveyor

Subscribed and sworn to before me this 14th day of Sept 1972.
