I, Walter G. Reid, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on September 15, 1972, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source in Lyon County, by Michael W. and C.V. HUGHES for industrial and domestic purposes. That the proposed point of diversion, the location of the plant, the approximate size and capacity of the diverting channel and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 21 day of Sept., 1972

Jean Williams
 Notary Public
