STATE OF NEVADA } SS
COUNTY OF WASHOE }

I, Donald C. Osborne, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the twenty first day of December, 1972; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source by the Nevada Division of Forestry for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channels, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions, the areas where the applied for water will be utilized are fully and correctly designated hereon.
