I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 9th day of November, 1972; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lyon County, by Eldorado Aggregates, Inc., for industrial and domestic purposes. That the proposed point of diversion, the location of the gravel pit area, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 27th day of November, 1972.
