

SOUTHEAST QUARTER, SECTION 14,
T. 21 S., R. 60 E., M.D.M. Nevada

◊ denotes B. L. M. brass cap found
○ denotes railroad spike found

State of Nevada)
) SS:
County of Clark)

I, Phillip B. McVey, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me between April 13 and April 16, 1973; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Clark County by Norman E. Mott for Quasi-municipal and domestic (4 homes) purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works, which cross or connect with the proposed works, and the boundary of all land showing by 40 - acres (or less) subdivisions the areas proposed to be used or benefitted are fully and correctly designated.

Phillip B. McVey
