I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 19th day of April, 1973, that it truly and correctly represents the original place and manner of use under Permit No. 16362 and the proposed place and manner of use, and the extent of the works used to divert water from an underground source in Lyon County, by the Estate of Walter E. Herrmann, for quasi-municipal subdivision purposes. That the point of diversion, the approximate location and size of the diverting channel, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 15th day of May, 1973.
