 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 26th day of April, 1973, that it truly and correctly represents the proposed location and extent of the works used to divert water from Gold Canyon Spring and Under-ground source, in Lyon County, by Clifford L. Cook, D.B.A. Gold Canyon Mining Company, for mining, milling and domestic purposes. That the proposed point of diversion, the location of the mill, the approximate size and capacity of the diverting channel, and the names and location of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

 State Water Right Surveyor

Subscribed and sworn to before me this 1st day of May, 1973.
