

STATE OF NEVADA] SS
 COUNTY OF HUMBOLT]

I, J. R. Caldwell, being first duly sworn, depose and say that this map, consisting of _____ sheets, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), completed prior to August 13, 1973, that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground in Pershing County, by Morry Sterling and William Kramer for Irrigation.
 That the proposed point of diversion, the location and size of the diverting channel, all reservoirs and basins, location and description of all measuring devices, and the boundary of all lands showing by 40-acre subdivision the land to be irrigated

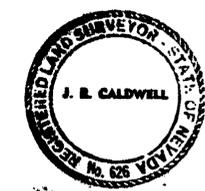

and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
