

STATE OF NEVADA
COUNTY OF DOUGLAS SS:

I, Harold F. Provence, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 21st day of JULY, 1973, that it truly and correctly represents the location and extent of the proposed works used to divert water from an underground source in Douglas County by NORMAN C. and JEANETTE ROBISON for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, and the location and names of all other works or streams which cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Harold F. Provence
State Water Right Surveyor No. 430

Subscribed and sworn to before me this 20th day of August, 1973.
