I, Walter G. Reid, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on May 29th, 1974, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source in Lyon County, by L.W. Johnson for irrigation and domestic use. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which cross or connect with the proposed works, and the boundary of all lands showing by 40-acre subdivisions the areas to be irrigated, are fully and correctly designated thereon.

Walter G. Reid  
State Water Right Surveyor

Subscribed and sworn to before me this 6th day of June, 1974.

Gregory E. Anderson
