I, J.V. CASELLI, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 0 to 1 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 13th day of December and the 13th day of December, 1974, that it truly and correctly represents the proposed location and extent of the works to divert water from Underground Source in Esmeralda County by TRIDEX NEVADA, INC. for MINING and MILLING purposes. That the point of diversion and return, the location of the washing plant (movable), the approximate size of the pipeline and capacity of the pipeline, and location and names of all other works or streams which are crossed or connected with solid works, are fully and correctly designated hereon.

BASIS OF BEARINGS—North Line, Sec. 6.
