

STATE OF NEVADA SS:
COUNTY OF WASHOE

I, Ernest E. Müller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey, made by me on the 9th day of March, 1975; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County by W. H. NORTON for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the location and names of all other works which cross or connect with the proposed works, and the boundary of the land showing the area of use, are fully and correctly designated hereon.
