

STATE OF NEVADA  
 COUNTY OF DOUGLAS SS.

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 13th day of April, 1975; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County by CYNTHIA BAY for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the location and names of all other works which cross or connect with the proposed works, and the boundary of the land showing the area of use, are fully and correctly designated thereon
