

Area outlined below has water rights under Truckee River Decree, Claim G34, Sept. 8, 1944. It is now within the I-80 Hwy. right-of-way. When the right-of-way was acquired water rights were retained by the then owner, Dr. Vernon Cantlon. Eight of these 12 acres of water rights are to be transferred to the Gassiot property shown outlined to left.

I, Robert C. Downer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the correct scale from records, deeds and maps obtained from the offices of the Truckee River Water Master, the Nev. State Engineer, and the Nevada State Highway Dept; that it truly and correctly represents the actual location and extent of the works used to divert water from the Truckee River by Alex G Gassiot for irrigation purposes; that the location and extent of lands owned by the applicant upon which water applied for under this application is proposed to be used are fully and correctly designated hereon.
