

STATE OF NEVADA 55
 COUNTY OF ELKO

I, Mark Chilton, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 21st day of July, 1975; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in WASHOE COUNTY, by ROBERT L HELMS CONSTRUCTION and DEVELOPMENT CO. for QUASI-MUNICIPAL PURPOSES. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and size of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 23 day of July, 1975
 Notary Public in and for Elko County, Nevada.
