

STATE OF NEVADA,  
 COUNTY OF DOUGLAS SS.

I, B. J. Vasey, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 24th day of November, 1975; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in Douglas County, by Assemblies of God; Northern California and Nevada District Council, Inc. for quasi-municipal purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to use water for quasi-municipal purposes, are fully and correctly designated thereon.
