I, J. L. Vandiver, being first duly sworn, depose and say that the above map is a true and accurate plat of the irrigation works, as taken from the field notes of a survey made by me completed on the 3rd day of December 1918; that such survey was made at the instance of Harry A. Day; that the map represents the works described in Application No. 3068, together with the location of streams and ditches in the immediate vicinity.
